LOCAL TRANSPORTATION

On race days, between the Szeged Bus Terminal and the Olympic Regatta Center (when the competitions take place there) will operate a direct bus transfer with a planned schedule (one round per hour), which can be used free of charge by athletes and supporters with accreditation cards. The transfer is direct, there is no intermediate stop on the route.

In addition, on the race days there will be a shuttle (collecting transfer) service between the official accommodations and the venue. Accommodations within Szeged city will be served by a shuttle service on 2 or 3 routes, following a predetermined schedule and route, collecting the athletes. In the case of accommodations outside of Szeged, a direction/destination transfer will be in service, two rounds in the morning from the accommodations to the race course and two rounds in the afternoon back from the venue.

The fee for the service is included in the price of the accommodations-package booked via the Organizing Committee. For others, the use of the shuttle services within Szeged will be available only by purchasing a 6-day transfer pass. The shuttle pass is EUR 40 per person and must be ordered in advance at szeged2018@holiday55.hu until the **30th June 2018**.

For training days, the Organizing Committee's travel partner (Holiday 55 Hungary) can provide coach transfer service for teams, from the accommodation to the race course and back, only upon request. You can request a training transfer quotation at szeged2018@holiday55.hu.

For smaller teams and individuals, the Organizing Committee will operate a shared coach transfer service with a set timetable on practice days, departing from Szeged Bus Terminal to the Olympic Regatta Centre and back. This shared transfer will operate hourly (with a max. capacity of 100 passengers per turn) and will have no stops between the 2 end points. Passengers using the shared training day transfer service have to arrange their own transportation from their accommodation to the Szeged Bus terminal and back.

Shared training day shuttle can be used in exchange of a special ticket only. Price of this transfer is **EUR 3 per person per way**. Tickets must be purchased in advance.

Payment can be done by wire transfer before arrival to Szeged or in cash/card at the **Registration office (hotel Forrás Szeged)**. Availability of tickets at the bus terminal is very limited, more expensive (**EUR 5 per person, per way**) and payment is by card only. Purchase of tickets at the Szeged Bus Terminal is possible only between the arrival and departure of the bus (short time frame). Passengers with prepaid tickets enjoy priority boarding. Purchase of tickets on spot should not harm the departure schedule of the service. Those who could not purchase tickets on time cannot get on board. Advance purchase of tickets for training day shared shuttle service is highly recommended!

For further information please read the **5th newsletter** of CCWC2018.

All transfer services should be ordered from and paid to Holiday 55 Hungary Kft.
